FID: 241085130
BRRTS: 02-41-552236

Dear Mr. Hanna:

Per your request, I'm enclosing with this letter the ability-to-pay forms that are required to determine if you can afford the environmental clean-up at your site located at 1922 East Thomas Avenue Milwaukee, Wisconsin. You don't have to send this information in until you have determined that you are unable to cover the costs associated with the investigation and remediation of your site. The following paragraphs are the Department's form letter that is sent to responsible parties that request the determination. Again, if and when you need to send in this information, you'll have the forms at hand. So don't send these in at this time.

The Department is offering you an opportunity to demonstrate that you are financially incapable of paying for the required work by completing the enclosed form and providing the following information. I have enclosed a financial disclosure form, which needs to be accurately completed and signed. Along with the financial disclosure form you will need to include copies of your last three years federal tax filings. Lastly, you will need to complete and return the IRS Form 8821, which authorizes Shelley Fox to request copies of your federal taxes for the last three years. Page two of the Form 8821 includes instructions as to how to complete each line. This form will allow Ms. Fox to access your tax information through the Internal Revenue Service in the event of a discrepancy with what you've initially submitted and therefore determine your ability to pay for site remediation.

Due to the personal identifying information on these forms, DO NOT fax these documents. Please mail all information to:
