Hi Everyone:

Mike Noel of Tetra Tech called me today (26May2021) regarding the submittal of the revised RAOR for the subject site. The revised RAOR is due to us on June 1, 2021. Mike said that Beazer is requesting an extension of 30 days (from June 1, 2021), to submit the revised RAOR. I told Mike I would reach out to our group and get back to him.

Please let me know what to tell Mike regarding his extension request.

Thanks.

Eric
