Hi Mike:

During our phone discussion yesterday (26May2021), you indicated that Beazer would like to request a 30-day extension regarding the referenced subject. I have the following two questions to help provide you with response:

1. Provide any explanation or basis as to why the additional 30 days are necessary.
2. Will this extension delay any of the other items identified in DNR's last letter to Beazer (dated March 3, 2021)?

Thanks.

Eric
