Dear Caroline,

I am requesting additional budget to prepare an unconditional closure request for the above referenced site. No soil contamination remained in the soil confirmation samples after the remediation and the groundwater from the water supply well was not impacted. Our cost request totals \$4,303.83.

Please call me at 608-838-9120 or 608-225-9407 if you have any questions regarding this matter.

Sincerely,
Seymour Environmental Services, Inc.
