Subject: Wilson's Fish Market – Variance request for Engineers Review.
BRRTS #: 03-52-554656, PECFA #: 53403-3346-05

Dear Mr. Delcore,

A variance request is being submitted for having a Professional Engineer conduct a file and closure request review and to sign the closure package once complete (as required by the state) for the subject property located at 2305 Racine Avenue in Mount Pleasant, Wisconsin. The cost estimate is as follows:

File/Document Review by Professional Engineer
(Variance: 10 hours @ \$112.96/hour = \$1,129.60)

METCO is requesting a variance in the amount of \$1,129.60 to complete the above workscope. Upon state and client approval of the proposed workscope and budget, METCO will proceed with the updated closure request.

Should you have any questions, comments, or recommendations please contact me at our La Crosse office (608) 781-8879 or email at jasonp@metcohq.com.
