Dear Ms. Schneider:

The Wisconsin Department of Natural Resources (DNR) is informing you of a change in project manager for your site. Effective immediately, all correspondence, reports, and submittals concerning the above site should be sent to the following address:

Wisconsin Department of Natural Resources
Attn: Sarah Krueger
Remediation and Redevelopment Program
2984 Shawano Ave
Green Bay, WI 54313-6727

In recent correspondence dated December 10, 2018, Mr. Sam Tobias, Planning & Parks Director for Fond du Lac County, indicated that if the county performs site investigation and remediation activities, they would happen concurrently with the Wisconsin Department of Transportation (DOT) Highway 23 construction project (WisDOT Project ID #144015-01). I propose a meeting between Fond du lac County, DOT and DNR to discuss the next steps and a suitable timeline for investigation and remedial action. I will contact the involved parties at a later point to set up a meeting date. Please contact me with any questions. You may call me at (920) 662-5431 or email me at Sarah.Krueger@Wisconsin.gov.

Sincerely,

Sarah Krueger
