Hello Carrie,

As you know, the PECFA program is ended and so has the funding mechanism for this project. There is no activity for this project as there is no way to pay for any time associated with this project.

Thank you,

Ken Lassa

Hi Ken, On July 2, 2020, I sent you a list of technical revisions that were needed for the Old Volk Service Station (03-44-555683). Could you please provide me with an update? Thanks, Carrie
