Dear Mr. Balliett:

On August 18, 2011, the Wisconsin Department of Natural Resources received your summary of immediate actions taken at the above-described site and your request that the WDNR grant closure of the site and require no further action. I have completed review of your request and concur that the environment has been restored to the extent practicable as provided in ch. NR 708.09, Wis. Adm. Code. Therefore, the immediate action in response to this release has been completed, and the Department of Natural Resources is requiring no further action at this time.

We appreciate your efforts to protect and restore the environment at this site. If you have any questions regarding this No Further Action determination, please contact me at (715) 839-3748 or via e-mail at mae.willkom@wisconsin.gov.

Sincerely,

A handwritten signature in cursive script that reads 'Mae Willkom'.
