Greetings,

The Wisconsin Department of Natural Resources – Remediation and Redevelopment Program in the Southeast Region is undergoing some changes to the distribution of workload among staff.

This letter is to inform you that a new project manager has been assigned to the above mentioned case.

The new Project Manager for your case is:

Gena Larson  
101 S Webster Street  
PO Box 7921  
Madison, WI 53707-7921  
(608) 261-5404  
[Gena.Larson@Wisconsin.gov](mailto:Gena.Larson@Wisconsin.gov)

Please inform your consultant of this change and direct all future submittals and/or inquiries regarding your case to your new project manager.

Thank you for your efforts to clean up the environment.
