Dear Ms. Knuth:

On November 14, 2012, the Wisconsin Department of Natural Resources received the report titled "Twin Disc, Inc. Plant 3 Fuel Oil Release Site Investigation/NR 708.09, No Further Action". The Department's Southeast Regional Hydrogeologist for Racine County has reviewed the document and concurs that the environment has been restored to the extent practicable as provided in ch. NR 708.09, Wis. Adm. Code. Therefore, the immediate action in response to a release has been completed and the Department of Natural Resources is requiring no further action at this time.

The Department is aware that there is at least on other area of this property that is under investigation. The Department encourages you to complete the investigation and remedial action in a timely manner.

We appreciate your efforts to protect and restore the environment at this site. If you have any questions regarding this No Further Action determination, please contact me in Sturtevant at 262-884-2341.

Sincerely,

Shanna L. Laube-Anderson
