Dear Mr. Wagner:

On December 10, 2012, the Wisconsin Department of Natural Resources received the request for No Further Action for the above-mentioned property. I have reviewed the document and concur that the environment has been restored to the extent practicable as provided in ch. NR 708.09, Wis. Adm. Code. Therefore, the immediate action in response to a release has been completed and the Department of Natural Resources is requiring no further action at this time.

We appreciate your efforts to protect and restore the environment at this site. If you have any questions regarding this No Further Action determination, please contact me in Wisconsin Rapids at (715) 252-2873.

Sincerely,
