Dear Mr. Miller:

The Wisconsin Department of Safety and Professional Services (DPS) has reviewed the request for case closure prepared by your consultant, Graef, for the site referenced above. DPS has determined that this site does not pose a significant threat to human health or the environment. This case is now listed as "closed" on the DPS database. No further investigation or remedial action is necessary.

It is in your best interest to keep all documentation related to the environmental activities at your site. If residual contamination is encountered in the future, it must be managed in accordance with all applicable statutes and rules. If it is determined that any remaining contamination poses a threat, the case may be reopened and further investigation or remediation may be required.

Timely filing of your final PECFA claim (if applicable) is encouraged. If your PECFA claim is not received within 120 days of the date of this letter, interest costs incurred after 60 days of the date of this letter will not be eligible for PECFA reimbursement.

Thank you for your efforts to protect Wisconsin's environment. If you have any questions, please contact me in writing at the letterhead address or by telephone at (262) 521-2732.

Sincerely,

Monica L. Weis
Hydrogeologist
