Good afternoon Jim,

Project management of the Gunderson Cleaners Inc site, [BRRTS # 02-71-467001](#), and the associated Goodwill – Neenah (VPLE) site, [BRRTS # 06-71-559889](#), were recently transferred from Kevin McKnight to me as the DNR Remediation & Redevelopment project manager.

I am reaching out to see if you are still the point of contact for the VPLE applicant, Goodwill Industries of NEW, and to also discuss whether or not Goodwill plans to remain in VPLE. Would you be available for a conversation this week or next week to discuss the site, or be able to send me in the direction of who I should contact to discuss the site with?

Thank you,
Josie Schultz
