**Re: Facility-Wide Continuing Obligations Package Update  
Enbridge Energy Superior Terminal, Superior, WI  
WDNR BRRTS Activity #: 16-16-560657**

Dear Mr. Sager:

On behalf of Enbridge Energy, Limited Partnership (Enbridge), the attached documents are provided as an update to the *Continuing Obligations (CO) Package* for the above referenced Enbridge Superior Terminal Facility-Wide BRRTS site. The Updated CO package contains the following new or updated documents:

Doc #	Document Description	Description of Change	# of pages	CO Pages to Replace
1	CO package narrative	Updated to reference the WDNR BRRTS number change from 02-16-560657 to 16-16-560657. No other changes to the content of the narrative were made.	8	Pages 1-8
2	Table A.7.1	Updated to include the new Tank 2 Ring Road site 02-16-586743.	1	Page 26
3	Table A.7.2	Updated to include the Tank 24 Floor site (02-16-586219) which is being transferred to the facility-wide CO site.	1	Page 27
4	Figure C.4	Updated to show the location and extent of residual contamination associated with the new Tank 2 and Tank 24 Floor sites referenced above.	1	Page 282
5	Site Summary for Line 6	Line 6 is an existing transfer site. The site summary was updated to include documentation of excavation activities that occurred at this previously defined facility-wide site in 2020. No evidence of a new release was encountered, and the extent of residual contamination remains the same.	13	Pages 38-49
6	Site Summary for Tank 24 Floor	Tank 24 Floor is a new transfer site. The site summary is being submitted to document the activities associated with the site assessment, response action and residual contamination. This site has been approved for transfer to the facility-wide CO site.	11	Add to end of Attachment C1 – Transfer Sites - after Page 280 and before Page 281

In accordance with NR 749, the WDNR fee for each new site added to the CO package is \$1050 for modification of a property on the database and \$300 for establishing the soil contamination CO. This CO Update package only includes one new site to be transferred to the facility-wide site. As a result, the total WDNR database fee for this CO package update and initial transfer site is \$1350.
