Dear Mr. Verstegen,

A bid deferment/variance request is being submitted for having a Professional Engineer conduct a file and closure request review and to sign the closure package (as required by the state) for the subject property located at 102 Water Street in Marinette, Wisconsin. The cost estimate is as follows:

File/Document Review by Professional Engineer
(Variance: 6 hours @ \$85/hour = \$510.00)

METCO is requesting a bid deferment/variance in the amount of **\$510.00** to complete the above review. Upon state and client approval of the proposed workscope and budget, METCO will proceed with the project.
