Subject: Underground Storage Tank Abandonment Report - WisDOT ID #6190-1572 at 105 E Main St Property - WI DOT

Hello Dan,

I have reviewed the two reports titled Underground Storage Tank Abandonment Report dated December 1, 2017 and February 14, 2018 regarding WisDOT ID # 6190-15-72 in Winneconne. The Department concurs that these reports are to be filed under the existing LUST site 105 E Main St Property – WI DOT (BRRTS # 03-71-562271) as these tanks were pulled from the existing contaminant plume. No additional investigation or remediation is required of the WisDOT at this time in relation to these reports.

If you have any comments/questions please let me know.

We are committed to service excellence.
