Ron and Jason,

I'm emailing this morning to let you know that you can proceed with monitoring well abandonment at the Pizza Place site (BRRTS #03-03-562914) in Turtle Lake. Abandonment costs were included in the PECFA cost approval dated September 27, 2019. Approval for well abandonment is being granted prior to closure due to the PECFA program ending on June 30, 2020.

I'd also like to mention that the DNR is still waiting on closure fees to be submitted for the site. To reiterate, until those fees are received by the DNR or the current owner agrees to have a lien placed on the property in lieu of those fees, the site will remain open. Additionally, NR 700.11 semi-annual site progress reports will still be required to be completed and submitted to the DNR twice per year until fees are received and the case is closed.

If there are any questions, please don't hesitate to contact me by phone or email.

Thanks,
Grant
