Please note that I did have both Cory Davis, the Village of Turtle Lake Public Works guy, and Mike Schradle, sign a statement waving the 30 day comment period.

Hello Barb,

Here is all of the documents I believe are needed to make the corrections as I understand them.

- Notify the Village of Turtle Lake
- Provide Mike & Jane the correct notification and maps, as well as the fact sheets called for.

I've compiled them and scanned them in to a single file.
