Hi Roger,
Unfortunately before I can review the closure request, we will need a formal Site Investigation Report(SIR) which meets the intent of NR 716.15. The Department will not be requiring a hard copy of the SIR. Please submit the electronic copy of the SIR to the submittal portal upon completion.

Thanks,
Andy

Hi Roger,
Hope you got your fill of turkey and were able to get your lights up before the big storm this weekend. Hey I was just wondering if you planned on submitting a SIR in conjunction with your closure request? Give me a call if you'd like to discuss.

Thanks,
Andy
