Carrie.

I just realized that DNR already approved engineering review (see 2/8/2019 Change Order).

I assume we will use that approval for the Closure Packet (which I just emailed).

Can you please correct my Change Order? Or should I re-submit without the engineering review?

Thanks

Subject: Olson & Goodman Status report

Hi Ken, I just reviewed the status report for the Olson & Goodman site and agree the site can be submitted for closure. Please include MW and VI pin abandonment in cost request. Thanks, Carrie
