Dave, I would also recommend putting the MWs aband + closure pkg prep on this one also.

**We are committed to service excellence.**

Visit our survey at <http://dnr.wi.gov/customersurvey> to evaluate how I did.

Carrie, cost proposal to remove the remedial system ahead of case closure. We are getting pretty close to exhausting the PECFA budget on this one. Intent is to sample once more and hopefully route this one to closure. Groundwater is looking favorable for closure consideration.

Thank you,
