Subject: Greater Bass MW abandonment decision

Hi Dave, today the NOR Closure Committee reviewed the Greater Bass Lake Storage site and determined all the MWs, **except GB-1** can be abandoned. GB-1 will need another sampling round for PVOC + Naph to determine trends. Please submit a closure packet. If you have any questions let me know. Carrie

We are committed to service excellence.

Visit our survey at <http://dnr.wi.gov/customersurvey> to evaluate how I did.
