Subject: Cost Recovery Waiver Decision for Werners Cleaners, 6415 28th Avenue, Kenosha, WI, BRRTS # 02-30-577102

Please retain this email for your records.

The purpose of this email is to share with you, Christopher Diakoumakos, that DNR will not attempt to recover costs incurred during the up-coming vapor investigation from you as owner of the property at 6415 28th Avenue in Kenosha, Wisconsin. This includes work performed under the Vapor Intrusion Zone Contract for a vapor investigation and any subsequent mitigation costs for the Werners Cleaners site, BRRTS # 02-30-577102. This decision does not apply to other individuals or entities.

This decision does not apply to costs beyond the Vapor Intrusion Zone Contract for additional investigation, mitigation and/or remediation if deemed necessary in the future. The DNR will notify you in writing with a new *Notice of Intent to Incur Expenses* if additional work is planned beyond the Vapor Intrusion Zone Contract and a separate decision will be made regarding cost recovery.

Please contact Joe Martinez at Joseph.Martinez@wisconsin.gov or (414) 218-6042 with any questions as the investigation progresses. Thank you for your cooperation with this effort.

We are committed to service excellence.
