Hi Nancy,

Apologies for not notifying you sooner. The request is withdrawn.

Impacted material from BMO that could not go to the Solvay site went to Waste Management.

We're hoping to have an update report submitted soon.

Feel free to contact me with any other questions in the meantime.

Best regards,

Cory,  
We still have the BMO soil management request to R&R Excavating on hold.....Has that material already been placed somewhere else? If so, can you advise, notify us that the request is withdrawn, or otherwise update me on the situation? Thanks,
