**To:** Steve Newlin  
**Subject:** PFAS Scoping Statement - Bright Cleaners (02-41-580017)

Steve,

As discussed over the phone, on 4/19/2021 the DNR received the PFAS scoping statement for the Bright Cleaners (02-41-580017) site. The DNR has reviewed the scoping statement and agrees that PFAS sampling is not necessary at this time. The next appropriate step is submittal of a revised case closure request. Let me know if you have any questions.

-Joe
