**Attachments:** 20210324\_2\_MungerLandingViacomCBS\_RP\_Ltr.pdf

Dear Mr. Groy,

Please find the attached letter that was mentioned during the March 9, 2021 call on the Munger Landing contaminated sediment site with the Minnesota Pollution Control Agency and the U.S. Environmental Protection Agency's Great Lakes National Program Office.

Let me know if you have any questions or if you would like to have a call with DNR to walk through the letter.

Thank you,

**We are committed to service excellence.**

Visit our survey at <http://dnr.wi.gov/customersurvey> to evaluate how I did.
