Subject: Updated Contact for BRRST # 02-16-580678, Munger Landing

Jeff,

Best wishes on your retirement.

DNR will update our records to include Alana as the "responsible party contact" for BRRST # 02-16-580678, Munger Landing.

Alana is copied here. I also copied Jim and Todd from Ramboll who have been assisting you with semi-annual reporting under Wis. Admin. Code § NR 700.11. I believe EPA is close to having all the contractor closeout submittals for the sediment cleanup and look forward to receiving a request from your company for the closure of BRRST # 02-16-580678.

Please reach out if you need anything else.

Sincerely,

We are committed to service excellence.
