Hi Nancy,

Yes, that one (should have been for the R&R Excavating disposal site in Cedarburg) should be withdrawn.

Thank you,

Adam

Hi Adam,

Trying to clean up some BRRTS tracking here. For the above-referenced, we have the material management plan request from 4/13/18 paused. I'm assuming that this can be tracked as "withdrawn?" Please let me know and I'll do that.

Thanks,

We are committed to service excellence.
