Re: Notice of Approval, Amended Consent Decree for RD/RA at OU 1, Case No. 03-C-0949  
Lower Fox River and Green Bay Superfund Site, WI

Dear Mr. Jackson and Mr. Causey:

The United States Environmental Protection Agency and Wisconsin Department of Natural Resources approve the *Lower Fox River Operable Unit 1 – Integrated Final Design and Remedial Action Work Plan for Post-2009 Response Work*, dated June 2011, except Appendix F, the Institutional Control Implementation and Assurance Plan (ICIAP) -- the ICIAP is still undergoing review, and is not yet final.

Feel free to call me at 312-353-4213, or Beth Olson at 920-662-1531, if you have any questions or concerns.

Sincerely yours,

A handwritten signature in cursive script that reads "James J. Hahnenberg".

James J. Hahnenberg, Remedial Project Manager  
Superfund
