Subject: Cristo Rey Jesuit High School - Historic Fill SIR Review BRRTS #02-41-583465

Hello Travis, Grant, and Jim, (I don't have Jim's email in my system so just followed your naming protocol – if not, please forward to him)

Thank you for meeting with Lee and me via Teams this afternoon to discuss the SIR for Cristo Rey Jesuit High School – Historic Fill site. As discussed, there is some missing information in the Site Investigation Report and some document revisions that are needed to support Kapur's conclusion that the investigation of the contamination from historic fill is complete. As a result, we understand that you will be submitting a revised Site Investigation Report for us to review. I am pausing my review at this time and will complete the review when the revised report is received.

Please let me know if you have any questions as you prepare the revised report.

Thank you,
Linda
