Dear Mr Johnson:

Due to reorganization within the Wisconsin Department of Natural Resources Remediation and Redevelopment Program, I am the new project manager for the above-referenced site. During a quick review of the file I noticed that the Department has not received a status update for this site since the submittal of the Site Investigation Work Plan on February 4, 2020.

Within the next **30 days**, by 02/04/2023 please provide me with an update on the status of this site:
