Thank you for the quick response. I sent a letter to Mr. Tessmann for the Oneida Tool site and will ask him about Right Shine also. If you have any further questions, let me know. Thanks, Carrie

Carrie,

We received a letter regarding PFAS at 997 Air Park Rd, Rhinelander, WI 54501. We lease this property and do not know all the history. The owner is Kevin and Craig Tessman:

Craig Tessmann

Oneida Tool & Machine Corp.

(715) 369-3232

(715) 369-0787 fax

www.oneidatool.com

We can provide that we are janitorial company that has leased here for 2 years and 4 months. We do not manufacture anything and most of our cleaning products are green seal certified and distributed to the buildings in which we clean and discarded at the same places. We are part of the USDAs biodegradable program. We have had no hazardous substance spills or environmental investigation or remediation efforts since we have leased the property.

Please let me know if this email letter is sufficient or if you require further information from our company.
