Subject: The Solberg Co (03-05-548180) - Closure Packet Revisions Requested

Hello,

This case has been reviewed for case closure. While reviewing the closure packet, the following revisions were noted. Please address these and submit your revisions through the DNR RR Submittal Portal so the case closure approval can be finalized. For now, this case will be administratively paused until all necessary revisions have been completed. Please reach out if you have any questions or need additional clarification on any items.

Closure Form

Pg 2 – Item G. Include the ERP Case. LUST case is not needed here.

Check box for 5xii. For potential future vapor intrusion risk.

Monitoring Well Information : Attachment E – uncheck box for monitoring well remain in use and check box for monitoring wells being transferred.

Attachments
