Steve, Kyle and Tim,

The DNR performed a brief review of your work plan dated March 26, 2020 for this site. Please consider this email as your Notice to Proceed with the following comments.

- Submit a NR 712 Certification page via email for the work plan.
- Based on our discussion (Tim), the operational timeline of the drycleaner may be different from the Phase I, include an updated site history in future submittals as necessary.
- The need for additional soil samples under the building or other actions will be evaluated after the results of this work plan are received.

If you have questions regarding this email please feel free to contact me.

Regards,

Kevin
