Good afternoon, Emil and Kirk.

I am sending this email to remind you of the Annual Vapor Mitigation System Inspection requirement at your property at Donaldsons Cleaners (former)-E Edgewood Dr at 1835 E Edgewood Drive, Appleton. The requirement for an annual inspection and submittal of the inspection log to the DNR is outlined in the DNR's [June 28, 2021 Continuing Obligation and Property Owner Requirements for Interim Action – Vapor Mitigation System Approval letter](#). If you have any questions regarding the inspection or inspection log submittal please reach out to me.

We are committed to service excellence.
