I have not yet hired a consultant. Marks address is W9945 County road F and his phone number is 920-903-4586. You can check with him to see where he is at with this, as he is an owner in this property at this time as well.

Thanks

Good afternoon Kelly,

I have not received a response from you regarding hiring an environmental consultant for the contamination case on your property. I would appreciate it if you could reach out to me with an update on where you are at in the hiring process by the end of next week. Even if you have not hired a consultant I would still appreciate an email or phone call so we can discuss a path forward.

Thank you,

Good afternoon Kelly,

The 30-day time period for hiring an environmental consultant, as referenced in the February 25, 2021 Responsible Party letter, has elapsed for the Radtke Property site. Please provide me with a timeline for hiring a consultant.

Is the [chapsmyhide@hotmail.com](mailto:chapsmyhide@hotmail.com) email address your personal email or does Mark use it as well? If he has a separate email address could you please provide it to me?

Thank you,

**We are committed to service excellence.**
