Mike,

As we discussed on the phone, the general liability clarification request is slated for additional review by a committee in Madison on July 28, 2021. While this review is pending, the deadlines outlined in the responsible party letter are on hold.

If you have any questions in the meantime, please let me know.

Thanks,

Dave

Hi David:

Just a quick follow-up letting you know that we JUST uploaded the liability clarification request for our client, Luvata Appleton LLC, to the RR program's online portal and also mailed a check today for \$700.00 TO Denise's attention in Green Bay.

Since the RP letter has certain timelines associated with investigative actions, can you please confirm that these will be temporarily out on hold pending your review of our request? Thanks Dave.

PS – An e-copy of the upload is attached as a PDF as we understand the DNR does not want paper copies at this time.

Mike
