Subject: Approval of revised "Site Investigation Work Plan"
Millennium Forms, 550 E. Centralia St., Elkhorn, WI DNR# 02-65-587693

Dear Mr. Wisniewski:

The department received The Reese Group's revised "Site Investigation Work Plan" (the revised workplan), for the site referenced above, on September 17, 2021. Revisions were made to the original workplan (received by the department on June 28, 2021) based on August 20, 2021 comments by the department. The review fee for the workplan, required under ch. NR 749, Wisconsin Administrative Code, was submitted with the original plan.

The revised workplan is approved. The revised workplan adequately addresses the department's August 20th comments and appears compliant with the relevant administrative code requirements.

Please contact me if you have questions.

Sincerely,

Jeff Ackerman, P.G.
Hydrogeologist
