Re: Remedial investigation at the Commercial Property site,
1021 South Broadway Street, Menomonie, Dunn County, Wisconsin, 54751.
AET Project No. P-0002702. WDNRR BRRTS No. 02-17-587803.

Dear Ms. Vang:

American Engineering Testing, Inc. (AET) has been retained to complete a remedial investigation at the Commercial Property site in Menomonie, Wisconsin. I will be the project manager and will send you a site investigation work plan for your review.

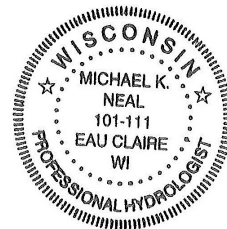

If you have any questions or require additional information, I can be reached at 715-861-5045.

Sincerely,
American Engineering Testing, Inc.
