Hi Kate,

Thank you for the response. DNR typically provides a 30 day extension, not 90 days. A specific schedule with timeframes for what tasks outlined in the responsible party letter would be completed to provide an adequate response to DNR will be needed if you would like to justify a longer extension than 30 days.

If you have any questions, please let me know.

Regards,

We are committed to service excellence.

Good Afternoon Mr. Beggs. Please see the attached correspondence dated March 11, 2022 from attorney Sarah Campbell Smith, on behalf of Tramontina U.S. Cookware, Inc. ("Tramontina"), requesting an extension of time within which to respond to the Wisconsin Department of Natural Resources' Responsible Party Letter to Tramontina dated February 25, 2022 regarding the reported contamination at the above-referenced site and the responsibilities of Tramontina regarding said contamination.

Kindly acknowledge receipt of this e-mail by responding to everyone on this e-mail. Thank you and have a great day!
