Dear Mr. Beggs:

The purpose of this letter is to satisfy the consultant notification requirements required by the Wisconsin Department of Natural Resources (WDNR) in its February 25, 2022, letter to Tramontina U.S. Cookware, Inc (Tramontina). Geosyntec Consultants has been retained by Tramontina as the environmental consultant to address the issues identified in the WDNR's February 25, 2022, letter.

Geosyntec is currently reviewing documents provided by Tramontina and publicly available documents related to environmental conditions at the Mirro Plant 2 property.
