Subject: Request for Work Plan Extension Request - Mirro Co Plt 2 (Former) - BRRTS No. 02-36-588656

Tauren –

Geosyntec, on behalf of Tramontina, is requesting an extension to the off-site investigation work plan for the former Mirro Co Plant 2 site (BRRTS No. 02-36-588656). Emma MacAlister has left Geosyntec and we are identifying internal resources to assist in developing the plan. The work plan will be submitted to the Wisconsin Department of Natural Resources (WDNR), and after the work plan is reviewed and approved, the parties will act expeditiously to implement the plan.

Please confirm your approval for the extension.

Regards,

Jeff Tracy
