Hi Paul,

DNR sent the attached letters back in August 2023 and Culligan came and got their equipment in mid-September 2023.

Regards,

Hey Tauren,

A quick follow-up question concerning our telephone call today. Did the DNR send a letter to the residences where drinking water temporarily being supplied explaining the discontinuing of service? We want to ensure that, if asked, Ramboll and NOC are providing consistent messaging to each residence during the scheduling of the late Fall/Winter sampling event.

Thanks.

Tauren,

Have you heard anything from the residents that would prevent DNR from discontinuing the temp water we are providing them? After I get your go ahead I will notify the vendor to stop service. Thanks,

We are committed to service excellence.
