Good Afternoon Tauren,

Ramboll, on behalf of Newell Operating Company (NOC) wanted to advise you that they have not received a notification link for the on-line NR 700 semi-annual progress report for the Bright Horizons Properties LLC site in Two Rivers. It appears that an on-line report was submitted by Fehr Graham on behalf of West River Lofts, LLC on July 1, 2022. The following provides a summary of the NOC related activities performed during the January 1 -June 30, 2022 reporting period and is intended to satisfy their reporting obligation:

NOC received a Responsible Party letter on March 25, 2022 and provided a written response to the WDNR on April 22, 2022. A letter verifying that Ramboll was retained by NOC as their environmental consultant was submitted to the WDNR on June 14, 2022. Based on the proposed scope of work presented in Fehr Graham's June 22, 2022 Site Investigation Work Plan, Ramboll, on behalf of NOC, has proposed to defer submittal of a work plan until the scope of work proposed by Fehr Graham is completed.

Please let us know if you have any questions.

Kind regards

**Susan Petrofske**
