Hi Tauren,

Ramboll, on behalf of Newell Operating Company (NOC), wanted to advise you that they have not received a notification link for the on-line NR 700 semi-annual progress report for the Bright Horizons Properties LLC site in Two Rivers. It appears that an on-line report was submitted by Fehr Graham on behalf of West River Lofts, LLC on January 3, 2023. The following provides a summary of the NOC related activities performed during the July 1 -December 31, 2022 reporting period and is intended to satisfy their reporting obligation:

Based on the scope of work presented in Stantec's September 30, 2022 "Site Specific Sampling and Analysis Plan", Ramboll, on behalf of NOC, will continue to defer submittal of a work plan until the scope of work proposed by Stantec is completed.

Please let us know if you have any questions.

Kind regards

Susan Petrofske
