Hi Tauren,

I am good with you uploading the email clarifying the correct semi-annual report information.

Thank you for the help!

You don't often get email from [tauren.beggs@wisconsin.gov](mailto:tauren.beggs@wisconsin.gov). [Learn why this is important](#)

Good morning Dillon,

You can contact Tim Zeichert about seeing if the semi-annual report can be changed and resubmitted (608-219-2240, [Timothy.Zeichert@wisconsin.gov](mailto:Timothy.Zeichert@wisconsin.gov)). Otherwise, I can just upload this email you sent me to BRRTS on the Web. Please let me know what you decide.

Regards,  
Tauren

Good morning Tauren,

I accidentally submitted the incorrect information for the NR700 Semi-Annual Report for this case. Would it be possible for you to adjust the report to reflect the correct information? The correct information should be:

Submitter Role: Consultant

Status: Remediation: Field Sampling/Monitoring

Comments:

Notification of PFAS Contamination, dated October 30, 2023.

Thank you, and I apologize for the inconvenience.
