Hi Jeff – Hope you are doing good. On behalf of Enbridge, we wanted to provide you with a heads up that Ms. Kathleen Shafel in the Antigo office will be receiving a check for \$350 in the next week. The shipment will also have a completed Technical Assistance and Environmental Liability Clarification Request Form (Form 4400-237).

Please do not hesitate to reach out if you have any questions once received.

Thank you!

Hi Ross,

As we discussed, we are willing to consider the submitted Immediate Actions Report at a Peer Review Group (PRG) for site closure. We would recommend that you submit a formal request for a No Further Action Letter (\$350) with the Immediate Actions Report. Once we receive the application and fee, we would be able to discuss at the PRG. If you chose not to request a formal letter, we can schedule the discussion at the PRG, but would not provide written documentation if the closure was approved.
