

**Notice: Hazardous substance discharges must be reported immediately** according to [Wis. Stat. § 292.11](#). Non-emergency hazardous substance discharges may be reported by submitting this online form, calling the Department or visiting an office in person. Under [Wis. Stat. § 292.99](#), the penalty for violating the reporting requirement of Wis. Stat. ch. 292 shall be no less than \$10 nor more than \$5,000 for each violation. Each day of continued violation is a separate offense. It is not the Department's intention to use any personally identifiable information from this form for any purpose other than program administration. However, information submitted on this form may also be made available to requesters under Wisconsin's Open Records Law (Wis. Stat. § 19.31 - 19.39). Submitting the notification as part of a Phase 1 or Phase 2 environment assessment report is not considered immediate notification under Wis. Stat. ch. 292.
