Hi Cory,

The DNR will reassign the existing BRRTS number to one of the addresses (1301 or 1401 Discovery Parkway) and issue a new number to the other. We need to make these changes prior to Sigma submitting the closure requests so I suggest submitting a formal letter report with the request, as Sigma has done in the past.

Also, what is the status of submitting release notifications for Lot 1 and Outlot 2? The DNR *Site Investigation Report and Remedial Action Plan Review* letter dated March 30, 2022 stated “There are documented RCL exceedances in borings on Lot 1 and Outlot 2. Release notifications must be submitted for these lots immediately.”

Thank you,

David

We are committed to service excellence.
