TO: Issac Ross, SCR Supervisor

FROM: Caroline Rice, Hydrogeologist

SUBJECT: 3/4/2025 Site Visit

The Department of Natural Resources conducted a site visit on 3/4/2025. We met with Enbridge and GEI Consultants on site. We discussed the forthcoming submittals. We walked the site. We observed the line 6 pump house, line 14 pump house, and the backfilled excavation. The temporary monitoring wells had been abandoned.
